

One-of-a-kind, emotionally supported, secondary-education environment. Personal, social and academic growth thrive together.

Compassionate Environment. Individualized Curriculum.

The Mill Creek School offers a full academic schedule for students in grades seven through twelve designed to challenge students with all levels of intellect. Individuals who struggle with personal, emotional and/or educational difficulties are welcomed into an environment where academic achievement and personal growth can take place together through compassionate and patient care.

Youth who face anxiety, depression, trauma and other mental or emotional challenges are provided emotional support from specialized staff. Individualized curriculum provided through a low student/teacher ratio ensures students' academic and emotional needs are met.

Specialized Attention. Robust Programming.

Individualized educational experiences are provided for each student. Students are encouraged to express their needs and are provided support that allows them to be successful in completing their educational program.

The program includes:

- Full academic curriculum
- Social skills courses
- After-school tutoring
- Volunteer and Civic Responsibility projects
- Career planning

Academic credits earned at Mill Creek are honored by the students' home school districts. Transcripts and diplomas issued are honored by all post-secondary schools and programs.

Admissions Insights

Admission to the program at Mill Creek begins with a referral. Educational and Clinical records should be submitted to the Mill Creek School Admissions Director.

Referrals are accepted from school districts or charter schools in conjunction with:

- mental health professional or provider
- child advocate
- lawyer

Tuition fees are paid by the school district in which the student resides. For more information on admissions call Amy Grossman, Director of Admissions at 215-643-5400 ext. 3522 or email MillCreekAdmissions@phmc.org.
